

**REMARKS/ARGUMENTS**

This Amendment is made in response to the Office Action dated March 11, 2010. The status of the application is as follows:

- Claims 1, 3-5, and 11-15 are pending;
- By this Amendment, Claims 1, 3-5, and 11-15 have been amended and Claims 11 and 13 has been cancelled; and
- Claims 1, 3-5, and 11-15 are rejected under 35 U.S.C. 101 as being directed to non-statutory subject matter.

By this Amendment, Claims 1 and 14 have been amended to modify processor to microprocessor as suggested in the Office Action. While the Office Action did not indicate the grounds for rejection for Claim 14, Applicants assume that the Examiner had the same basis as established for Claim 1. Corresponding depended claims have also been amended accordingly. Claim 12 has been amended to include the “non-transitory” language as suggested in the Office Action. Claims 11 and 13 have been cancelled. As such, Applicants believe that all rejections have now been overcome and kindly request an indication of allowability of all pending claims in this Application.

Respectfully submitted,

Douglas B. McKnight
